DISCOVERERS OF THE OIL CURE

Bright's Disease of the Kidney yields promptly to our new discovery, the Oil Cure. It cures Bright's Disease, and increasing the red blood corpuscles, the albumen in the urine disappears, and the patient is well again in a week's treatment.

Hospital, "Cater Hill," the oils and other concoction to the steadily inflamed kidneys insinuate, but by applying the oil to the surrounding cavities, which can be reached by no other method, the cure is effected. Care of strong standing will require constitutional treatment in order to facilitate recovery.

Cumminson's. The treatment will be continued until the kidney affection, no opiates being used, nothing but salts, which are safe, easy, and nutritious, will be given to the patient. This forms a coating of protection to the air sacs, and the patient will be able to eat as food to supply the wasting tissues, and by local application relieve the patient of constipation.

Diseases of all ages, as he so often failed to make the differential diagnosis of neuritis, neuralgia, or acute cold blisters, one of which you have, and the other, will be relieved by a different mixture of oils for each.

Diseases of the heart, of an inflammatory character, sarcoid, etc., very few apply to him, as also do rheumatism, alveus, vaginitis, and other troubles causing nervousness. All surgical diseases treated with skill and success.

Inflammatory Diseases of the Eye and Ear, from whatever cause, soon get relief and a permanent cure by his use of the oils. Address Dr. REINHOLD, 49 North Spruce Street, Nashville, Tenn.
